

## Part 5. Building Inspection.

### **§ 160A-411. Inspection department.**

Every city in the State is hereby authorized to create an inspection department, and may appoint one or more inspectors who may be given the titles of building inspector, electrical inspector, plumbing inspector, housing inspector, zoning inspector, heating and air-conditioning inspector, fire prevention inspector, or deputy or assistant inspector, or such other titles as may be generally descriptive of the duties assigned. The department may be headed by a superintendent or director of inspections. Every city shall perform the duties and responsibilities set forth in G.S. 160A-412 either by: (i) creating its own inspection department; (ii) creating a joint inspection department in cooperation with one or more other units of local government, pursuant to G.S. 160A-413 or Part 1 of Article 20 of this Chapter; (iii) contracting with another unit of local government for the provision of inspection services pursuant to Part 1 of Article 20 of this Chapter; or (iv) arranging for the county in which it is located to perform inspection services within the city's jurisdiction as authorized by G.S. 160A-413 and G.S. 160A-360. Such action shall be taken no later than the applicable date in the schedule below, according to the city's population as published in the 1970 United States Census:

Cities over 75,000 population – July 1, 1979

Cities between 50,001 and 75,000 – July 1, 1981

Cities between 25,001 and 50,000 – July 1, 1983

Cities 25,000 and under – July 1, 1985.

In the event that any city shall fail to provide inspection services by the date specified above or shall cease to provide such services at any time thereafter, the Commissioner of Insurance shall arrange for the provision of such services, either through personnel employed by his department or through an arrangement with other units of government. In either event, the Commissioner shall have and may exercise within the city's jurisdiction all powers made available to the city council with respect to building inspection under Part 5 of Article 19, and Part 1 of Article 20 of this Chapter. Whenever the Commissioner has intervened in this manner, the city may assume provision of inspection services only after giving the Commissioner two years' written notice of its intention to do so; provided, however, that the Commissioner may waive this requirement or permit assumption at an earlier date if he finds that such earlier assumption will not unduly interfere with arrangements he has made for the provision of those services.
